Greetings:

My brothers and sisters in Christ Jesus, the time has come that we will have to suspend our gathering on Sundays because of the directive from the Federal, Local and State government, which biblical, we are to take heed (Romans 13:1) regarding the Corona virus (COVID-19), which is a plague that's spread throughout the world.

As believers in the Lord Jesus, whom we serve and worship, knowing that he has the power to heal and save, there is no doubt. He is still Jehovah-Rapha, the God that heals, and Jehovah -Jireh, he will provide. We have the assurance that God has our best interest at heart, and he is aware of the circumstances that we are experiencing, just be patient; this will pass.

I will be speaking to you by Face-time, Streaming and Zoom, sermons, Bible Study and Sunday school.

My prayer is that you will be blessed richly by the methods that I will be using to get the Word of God to you. Please be patient, this is only temporary, and I encourage you to walk with us in faith as we journey along this path.

I love you, and seek the best for you as a Church, individual members and families. As it relates to the tithe and offerings, you may mail them to the Church or call the office for further directions. I look forward to hearing from you, be sure to keep, the officers, and leadership in your prayers.

God has already smiled on us and given us the victory; it has been seen in your willingness to keep the doors of the Church open to this point. Take care; remember the thing that's happening is in "Real Time."

Remember this: "He sent his word and healed them, and delivered them from their destruction" (Psalms 107:20), in his time. But please read Psalms 107 in its entirety. Take courage, and fear not, (2 Timothy 1:7).

Sincerely,

Lovely Haynes, Pastor
